

ABOUT ORGANISATION

Odoo

Industry: IT / Computers - Software **Organisation Type:** Private **Organisation Size:** 10,000+

About

Odoo will be organising one of the largest hackathons in India – 'Odoo Hackathon 2025' – on 11–12 August 2025. This hackathon is aimed at identifying and nurturing top talent from across the country while transforming traditional recruitment methods. We would be honoured to have your institution participate.

This hackathon presents a valuable opportunity for final and pre-final year students to showcase their technical skills and potentially secure internship and job opportunities at Odoo (subject to eligibility).

Please note: This year, Odoo will not be conducting campus placement drives. Therefore, we strongly encourage all eligible students to apply for the Odoo Hackathon 2025.
